RE: COVID19 LOCKDOWN AWARENESS

السلام عليكم و رحمة الله و بركاته

Dear students,

With regards to the abovementioned, by now you are aware of the severity of COVID-19 here in the UK & Eire. The announcement of England's second lockdown was made after a rapid rise in coronavirus cases. This four-week England lockdown will commence on the 5th of November 2020. For more information on the details on the lockdown, please go to <https://www.gov.uk/government/speeches/prime-ministers-statement-on-coronavirus-covid-19-31-october-2020>
In relation to this, UPP would like to advice to all students to do whatever you can to help contain the virus by obeying the guidelines and procedures given by the UK Government and your respective university. We continue to closely monitor developments in relation to covid-19 in this country and at the same time, closely monitoring the students' well being from time to time.

Should you have any issues or problems, please do not hesitate to contact one of our officers here at UPP. We are here to give support, giving tips, advices, and wellbeing resources during this unprecedented pandemic covid-19.

Thanks and stay safe everyone

Warm Regards

Mohd Danny bin Aimi
Director of Studies
Brunei Students Unit in London
